The Honorable Senator Richard Blumenthal

United States Senate

Washington, DC 20510

The Honorable Senator John Cornyn

United States Senate

Washington, DC 20510

Re: Thank you for supporting The American Victims of Terrorism Compensation Act

Dear Senators Cornyn and Blumenthal,

As the families of Americans killed on September 11th, 2001, we write to express our sincere gratitude for leading The American Victims of Terrorism Compensation Act. This urgently needed piece of legislation would provide meaningful and consistent relief to over 18,000 American victims of State Sponsors of Terrorism.

More than 13,000 spouses, children, parents and siblings of the nearly 3,000 innocent Americans murdered on September 11th will benefit from your efforts.

While the American Victims of Terrorism Compensation Act provides relief to all victims of terrorism, for us it recognizes in a meaningful way the loss of the nearly 3,000 victims of September 11 and the intense suffering of those left behind. The spouses, children, siblings, and parents of 9/11 will never be able to thank you enough for your unwavering support. What an unbelievable gift this holiday season.

With sincere thanks,
